WORCESTER

Baxi Assure 530

30kW Gas Combi 2 Boiler

User-friendly, easy to maintain and easy to install. A lightweight, high efficiency combi boiler that fits neatly into a standard kitchen cupboard.

- Boiler only
- Compatible with the Baxi uSense smart heating control
- Compact cupboard fit
- Lightweight
- Pre-heated siphonic condensate trap prevents condensate pipes from freezing in winter
- Works with natural gas or LPG (no conversion kit required)
- Certified to work with 20% hydrogen
- OpenTherm certified
- Positive fit PrV connection pipe
- Combined PrV with separate drain

BAXI

Mitsubishi Electric

R290 Heat Pump

This innovative model has a guaranteed operation range down to -25°C ambient temperature, while utilising the refrigerant properties of R290 to efficiently achieve high water temperatures up to 75°C and a low GWP (Global Warming Potential). Making the Ecodan R290 heat pump the perfect renewable alternative to conventional fossil fuel boilers.

Available in: 5kW, 6kW, 8kW
